

ona block

Small Size. Large Performance.

The ONA Block is a small, quiet workhorse when it comes to odor control. It can be put anywhere and forgotten until the odors return.

Put it in your gym bag, entrance closet or under your car seat, and it will neutralize the strongest odors, without being noticed.

The ONA Odor Blocks are available in 150g. (8 oz.) sizes and are conveniently packaged in new double-wall plastic containers, which measure 3" x 3".

Ona Blocks are a fast and easy way to fight against odors at their source. Simply open and expose to the air or remove the block from the container. The duration of the block will vary but it will be effective for about 4 weeks relative to the airflow and environment around the block. To limit the amount of odor control and extend the life of the block, drill holes through the lid making it excellent for clothing storage or gym bags.

ONA Blocks are ideal for pet smells around dog baskets, litter trays and toilets. Cars, boats and motorhomes are suitable for Blocks especially when they have been in storage and subject to dampness or mustiness! The ONA Block will release its powerful odor neutralizing agent and keep the location free from undesirable odors. Replace as necessary.

Available in two popular scents: Fresh Linen, Polar Crystal.

Ona permanently eliminates any airborne odors, cleanly and effectively. Ona is environmentally friendly, non-toxic and easy to use. Ona is an industrial strength odor neutralizer, yet can be safely used around people and pets. Everyone who uses it knows...ona works great to make those bad smells disappear. Pets, plants, garbage, smoke, germs, mildew - all are gone with the power of ONA.
