

If Something Smells Bad - It is Time for ONA!

Everyone who uses it knows... ona works great to make those bad smells disappear. Pets, garbage, smoke, germs, mildew, plants - all submit to the power of **ona**.

ona is Organic

ona is a series of complex formulas, using essential oil (organic) technology, that are designed to simplify your odor control management. They attack, neutralize and destroy a wide spectrum of organic and non-organic odors.

ona can be applied to solids, liquids or dispensed through the air - in small or large volumes. You can tackle any odor problem with **ona**—we're so confident in our product!

We have **ona** dispensers for rooms as small as bathrooms to areas as large as warehouses. Use **ona** anywhere—close to pets or people.

ona products are non-toxic and environmentally safe—reducing work safety concerns and allowing for aggressive odor management programs.

ona is Powerful

ona is an industrial strength odor neutralizer available at a consumer level. All the power you need to eliminate virtually any type of odor.

ona - odor neutralizing agent is manufactured by Odorchem and distributed by many major distributors across North America and in the UK.

If you have an odor problem; of virtually any type, use **ona**. **ona** will effectively eliminate it.
